as saying: "He deplored with an affected a neerity, the loss already of numerous young men and wo men in the large cities who had been bap tised, but had become alien to the faith of their fathers. He said that the church wept over them like Rachel, and would not be comforted.

A. G. HAZARD, JNO, WARRURTON, D. W. CLARK, WM. ISHAM,

"He characterized the public schools as the prolific source of the latitudinarian principles of the day, the principal support of infilelity in the land, making, perhaps, their scholars learned pagans, but not good Christians. Catholics, then, he urged, could neither send their children to these schools if they teach the Bible, for they then were wrecked in the Scylla of damnable error on the one hand; or it the true word is not taught in the Charybis of infidelity and paganism on the other. That they may be moulded and dren were not placed in the hands of teachers of their own faith. The State Superintendant, who may control the vast machinery of this system, was the subject of his earnest consideration; and the Rev. Father seemed desirous that the engineer should be a good Catholic. For the people of the great State of Ohio, we can dare say, the voters will certainly not employ an engineer who will blow up the boiler, and destroy what he should safe. ly direct.

"He strictly charged parents not to send children to our common schools."

### The Lost Tribes.

A letter recently recived from an officer in the Staff of the Commander-in Chiefin India, turnishes the following intelligence, which the Israelitish origin of the Affghans. It is dated from Head-quarters, Camp Munnikiala,

the Israelitish origin of the Affghans. It is dated from Head-quarters, Camp Munnikiala, 20th January, 1852:

"Having just been through a portion of Affghanistan proper, although now a part of our dominions, I cannot help writing to tell you how I was struck with the Jewishness of the people, the moment we crossed the Industand not only their appearance, but every possible circumstance tends to convince one that they are the descendanty of the tribes. They call themselves Bunnie-Isroel. Bunnie heing exactly synonymous with Mac in Sectland, and Fitz in England; and they are proud of it, where to all other Mahometans a more severe term of abuse cannot be applied than Yahoodee or Jew. One of the tribes that at present are giving us a good deal of trouble, is called the 'Yousufzyes,' or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Joseph; and the next to them are the 'Izacksie, or the tribe of Isaac. Ishmeel is a very common name among them."—Kitlo's Journal. mon name among them."-Kitto's Journal.

Tt appears from the Railroad Record that only one person in nine thousand, of those who travel on cars, is injured at all, and that only one in twenty-eight thousand is

The Record closes its statistics with the following inferences which it draws from

1st. Of all the persons in or about a rail-2d. That the number of passengers injur-

ed is very small in proportion to the number

caused by animals on the track.

6th. Children on the track and injured,

8th. The most dangerous cause of legitimate accident is "collision." A preventative of this, almost entirely, would be double tracks; and this, also we hope, will be adopted, on ev-

watched by a force of policce hired expressly for that purpose, and having no other busi

HEMPFIELD RAILROAD.-We have heretofore referred with pleasure to the fact that the construction of the Hempfield Railroad was a matter reduced to an absolute certainty. An advertisement in another column inform our readers that proposals will be received until the 23d inst. for the work of all the remaining sections to be let between this city and Washington. On Friday next the Board of Directors aret meeto for the purpose of permanently locating the route from Washington to Greensburgh, after which that portion of the road will be immediately put under

The President of the Company, Hon. R. T. CONRAD, and the Chief Engineer, CHAR-LES ELLET, Jr., are both on the line of the work, prosecuting their respective duties with distinguished ability and energy .- Wheeling Intelligencer.

The steamship Illinois, Lieutenant II. J. Hartstine, U. S. N., commandig, arrived at New York at a late hour on Saturday night.

All the editors that feel an interest in the stock growing community would doubtless confer a favor by giving the above an insertion.

Very respectfully,

Very respectfully, J. C. WILSON

FLEMINISHERG, Kentucky, April 18, 1853.

We the undersigned certify that Br. J. C. Wilson of this town left here for Europe in Slept, Last with the avowed intention of importing from old Spain the best Jack store that could be procured in Europe; and in the early part of December last be shipped from Barcelona, in Spain, 32 Jacks and Jonnets, 6 of which ried and the balance, 26, arrived here on the 16th of March, 1853, Seven of the number have been sold; prices ranging \$1200 to \$1800; only one Jennet selfing as low as \$1000. The above importation is acknowledged to be the best ever made to America, and the only one perhaps ever made by the stock being selected in person by an American, and the Jack michased of him by Mr. Joseph Woodmansee being one of the number.

J. M. Bowman, Judge; Reuben Payne; A. B. Chapman; J. Reynolds Flood: N. S. Amfrews; J. B. Turner; W. S. Rotts; Sam'l C. Flich; W. T. Dudley; Rob't H. Thompson; Geo. W. Taylor; R. M. Grimes; Thos. W. Fleming.

Mr. Woodmansee will stand this Jack at his stable 4 miles east of St. Clairsville, on the National Road. being intoxacated.

5th. From the special returns of the companies, we find that most of the "running off the track," or being thrown off the track, was caused by animals on the track.

N EW CHEAP CASH STORE.—Tompy Johnston's old established and well known that the track, was caused by animals on the track, was caused by animals on the track.

CHEAPEST GOODS

was caused by the want of fencing.

7th. From the last two facts, it is plain that a prevalative to a large number of accidents, would be a strong and continuous fenceing.

We hope to see this universally adopting.

We hope to see this universally adopting the cheapest Goods and I say on the positive I am selling the cheapest Goods and I say on the po

o ico Chintzes of all grades and colors. Bleached and Brown Muslins which can be bought so very cheap for each of W. P. ASBURY,

and this, also we hope, will be adopted, on every considerable railway in the country.

To these preventatives the Albany Reg'ster adds the following:

9th. Every crossing of a track, a road or a foot path, should be carried either over or under the railway.

10th. Every part of the road and of the train should be constantly and unrefentingly watched by a force of police bired expressly to the lead of the train should be constantly and unrefentingly to the town of Hunter, thence the nearest and best way to the lower of the nearest and best way to the lead of the province of the lead of the said said can be got to said tisle's corchard, thence to the line between Lisle and Lochary, in the lead of the lead of the lead of the lead of the line between Lisle and Lochary, in the lead of the le

For the rapid Cure of COUGHS, COLDS, HOARSENESS,

BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

TO CURE A COLD, WITH HEAD-ACHE AND SORENESS OF THE BODY, Take the CHERRY PECTORIAL OR going to bed, and wrap up warm, to sweat during the night. For a Cold and Cough,

For a Cold and Cough,

Take it morning, noon, and evening, according to directions on the bottle, and the difficulty will soon be removed. None will long suffer from this trouble when they find it can be so readily cured. Persons afflicted with a seated cough, which breaks them of their rest at night, will find by taking the Cheray Persons. On going to bed they may be sure of sound, unbroken sleep, and consequently refreshing rest. Great relief from suffering, and an ultimate cure, is afforded to the thousands who are thus afflicted, by this infaluable remedy.

From its agreeable effect in these cases, many find themselves unwilling to forego its use when the necessity for it has ceased.

From two eminent Physicians in

From two eminent Physicians in FAYETTEVILLE, TENN., April 16th, 1851.

Sir:—We have given your Chrany Pectonal an extensive trial in our practice, and find it to surpass every other. r remedy we have for curing affections of the respirate y organs. DRS. DIEMER & HAMPTON. To Singers and Public Speakers.

This remedy is invaluable, as by its action on the throat and lungs, when taken in small quantities, it removes all hoarseness in a few hours, and wonderfully increases the power and flexibility of the voice. Asthma

Is generally much relieved, and often wholly cured by Chemey Pecconal. But there are some cases so obsti-nate as to yield entirely to no medicine. Chemey Pec-tonal will cure them, if they can be cured. Bronchitis, or irritation of the throat and upper portion of the lungs, may be cured by taking Curenty Provonan in small and frequent doses. The uncomfortable oppression is soon relieved.

relieved.

Rev. Doct, Lansing, of Brooklyn, New York, states:—
"I have seen the Cherry Pectoral cure such cases of Asthma and Bronchitis as leads me to believe it can rarely fail to cure those diseases." For Croup.

Give an emetic of antimony, to be followed by large and requent doses of the Cherry Pectoral, until it subducs the liseace. If taken in season, it will not fail to cure. Whooping Cough may be broken up and soon cured by the use of Cherry Pectoral.

The Influenza s speedily removed by this remedy. Numerous instan-ces have been noticed where whole fan ilies were protect. ed from any serious consequences, while their neighbor without the Cherry Pectoral, were suffering from the discesse.

BALEM, O., 11th June 1851.

Doct. J. C. Ayer:—I write to inform you of the truly remarkable effect of your CHERRY PECTORAL in this place, and in my own family.—One of my daughters was completely cured in three days of a dreadful WHOOP-ING COUGH, by taking it. Dr. Eeans, one of our very best physicians freely states that he considers it the best remedy we have for pulmonary discress, and that he has

From the distinguished Professor of Chemestry and Materia Medica, Bowdoin College. Thave found the Cherry Pectoral, as its ingredient show, a powerful remedy for colds, and coughs, and pulmonary diseases. PARKER CLEVELAND, M. D. BRENSWOK, Me., Peb. 5, 1847.

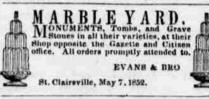

DR. VALENTINE MOTT,

The widely celebroted Professor of Surgery in the Medical College, New York City,

says:--"Htgives me pleasure to certify the value and efficacy of 'Ayer's Cherry Perforal." which I consider peculiarly adapted to cure diseases of the Throat and Lungs." Cures of severe diseases upon the Lungs have been effected by Cherry Perforal in such extreme cases as warrant the benefit that a remedy has at length been found that can be depend on to cure the Coughs, Colds and Consumption which carry from our midst thousands every year. It is indeed a medicine to which the afflicted can look with confidence for relief, and they should not fail to avail themselves of it.

Diplomas under scal are awarded the Graduates.

Oct. 8, 1852.

JOHN GUNDRY, Principal.

\$500 CHALLENGE. WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will deall in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifice. I feel it to be my duty to solemanted that every person will endeavor to promote their own health at all sacrifice. I feel it to be my duty to solemanted the solemanted that all these denote works, and you should at once apply the remedy:—

HOBENSACK'S WORM SYRUP. An article founded upon scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most teader Infant with decided beneficial effect, where Bowel Complaints and Diarrheas have made them weak and debilitated the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogus of medicines, in giving tone and strength to the Stomach, which makes it an Infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM! THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost Indefinite length becoming so coiled and fastened in the Intestinas and Stomach effecting the health so sadly as to causes? Vitus Dance, Fits, &c., that those afflicted seidom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoonfults 3 times a day, these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills. No part of the system is more liablego disease than the Liver. It serving as a filterer to purify the blood, or giving the proper secretion to the bite; so that ony wreng action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every eyaptom that might indicate a wrong action of the Liver. Those Pills being composed of ROOTS & PLANTS furnished by nature to heal the sick. Namely, let, An EXPECTORANT, which augments the secretion from the Pulmonary nuces membrane or promotes the discinarge of secreted matter. 2nd. An ALTERATIVE, which changes in some inexplicable and insensible manner the morbid action of the system. M. A TONIC which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th. A CATHARTIC, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole masss of corapt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

To Females. You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irrecularities, as headache, glid-diness, dinness of eight pain in the side, back, dec.

None genuine unless signed J. N. Hobensack, all others being base imitations.

If Agents wishing new supplies, and Store Keepers desirous of becoming Agents must address the Proprietor, J. N. Hobensack, Philadelphia, Pa.
